

Raise free funds when you shop online

You and your family and friends can collect free donations towards your project just by shopping online if you join easyfundraising. Follow these steps to get raising!

1. Register your project as a cause with easyfundraising:

<http://projects-abroad.easyfundraising.org.uk/>

It takes a matter of minutes and it's completely free!

2. Here's how it works

It's useful to understand how easyfundraising works, even if you don't have anything to buy. This will help you explain how it works to others. Watch this short video explaining how you raise with easyfundraising!

3. Your cause page

You have your own easyfundraising page link to share with your supporters (parents, friends and family). By visiting the link, they will see how to sign up in support of your trip and see how much you have raised so far.

Once registered, complete your cause page by adding a photo and a good description of your project and what you'll be doing whilst on it.

4. Talk to a fundraising coach

Talk to one of our friendly fundraising coaches who can guide you around the website and advise on how to make easyfundraising work for your project. The call will only take 10 minutes and we've found that causes who talk to our fundraising coaches raise over twice as much!
